

Profile Overview

Standard Weight Tile

Vanguard Roll

This tile is designed in the Mediterranean style but features a water channel rolled closer to the valley that hides the channel lock, improving aesthetics. Vanguard Roll features the most popular tile profile in the world, faithfully re-creating the beautiful Mediterranean style found in Italy and Southern France.

- Unique colors and blends can enhance any architectural theme
- Superior strength and durability of concrete tile

Spanish "S" Nuevo

This modern interpretation of the classic Spanish design creates a distinctive two-piece mission tile appearance in a durable one-piece construction.

- Unique colors and blends enhance the architectural beauty of any home
- Superior strength and durability of concrete

Atlantis

Give your home the relaxing feel of a Bermuda estate with these unique, flat profile tiles.

- Unique colors and hues give your home a distinctive Caribbean appearance
- Superior strength and durability of concrete tile

Barcelona 900™
Patent Pending

Barcelona 900 is designed to reflect the classic style and distinctiveness of Spanish architecture, popular in the early California missions that stretched from San Diego de Alcalá to San Francisco Solamo.

- Classic style with the durability and value of concrete tile
- Distinct hue combinations that create a beautiful, rustic appearance

**Boosted
Barcelona
Caps**

Boosted Barcelona is an available installation application of Barcelona 900 which, when combined with Barcelona 900 field tiles, creates the appearance of an authentic mortar-boosted tile.

- Available in colors that emulate the warm, rustic tones of natural clay
- Superior manufacturing techniques make Boosted Barcelona simple to install – reducing installation costs

Villa 900™
Patent Pending

Villa 900 emulates the most popular tile profile in the world, faithfully re-creating the beautiful Mediterranean style found in Italy and Southern France.

- Unique colors and blends can enhance any architectural theme
- Superior strength and durability of concrete tile

Saxony 900™
Patent Pending

Slate
Shake
Split Shake

This beautiful design is representative of the roof styles found in England, Northern Europe and the Eastern Seaboard states and is versatile enough to accentuate any architectural style.

- Unique colors and blends can enhance any architectural theme
- Available in a variety of surface treatments that emulate natural materials while offering the strength and durability of concrete tile

**MonierLifetile®
Madera**

MonierLifetile Madera is the most affordable, authentic replication of a hand-split cedar shake roof available. With its realistic wood shake surface, MonierLifetile Madera will complement any architectural style.

- Realistic colors that emulate the natural colors and textures of cedar shake
- Class A fire rating; superior resistance to wind and hail
